## “Dance as if Nobody is Watching” Saturday, March 9th

Springs Dance Company will be producing its concert, “Dance As If No One Is Watching” on Saturday, March 9th at 1,4,7pm at the Hope Community Church. This student produced concert highlights young choreographers as they create new pieces, make costuming decisions, learn about marketing, and handle all of the aspects of putting together their own concert. The audience will vote on two pieces that they would like to see performed in the recital. You may purchase tickets for \$7.00 in the office. This makes a great Mother/Daughter date or a fun outing for an entire class to go and support an assistant! Please mark your calendar and make plans to attend! These concerts will support Summer Study Scholarship opportunities for these dancers.
