## “True Colors”- Spring Recital Information

As always, we remain hopeful that our world will continue to heal, and life will move towards normalcy. The way that our dance family has supported us through many challenging months has been outstanding. We will never be able to fully express our gratitude, but we hope that you feel our love through our actions. We are so committed to creating wonderful opportunities for our dancers, and we are excited to look ahead! We’ve listed our tentative dates regarding the Young Dancer and older kids recitals. Our plan is move forward as scheduled, but we need everyone to be prepared for pivots along the way.

As with everything pandemic related, we are following the guidelines and restrictions to keep everyone safe. If we can be at Fletcher Opera House, then we will be at Fletcher. If we can be at Hope Church, then we will be at Hope Church. If neither of these are available, then we will rent a huge tent and have a great show at the studio! In other words, the show must and will go on. Recitals are not about locations, they are about the dancers creating work to share their true colors. We will wait on ticket sales until we are closer to performance dates. Stay tuned for updates! As always, we are thankful for this incredible community!

### Dates:

Recital Dates for “True Colors” will be . . .

**Saturday, May 15th** Young Dancer Recital at Hope Community Church for ages 3-6, as well as 7/9 Beginning classes.

\*Dress rehearsal is Friday, May 14th

Recital for ages 7/9 continuing level classes and up will be June 4-6th at Fletcher Opera House

\*Dress rehearsals are June 1-3rd

\*Please note that these are all based on restrictions being lifted!!

### **Ready to make summer plans?**

Our schedule of Summer Camps and Classes will be available with our March newsletter! We’ve got some great new ideas to share with you!

### Reminders

**Please** make sure that you are committed to attending class each week. As we are working on choreography, it really makes a difference to dancers and teachers!

**Please** pay attention to the dress code for your child’s class. We really appreciate your help with this!
